Dear Business Owner

I am a player for Mossley Hill Ladies Football club.

Mossley Hill Football Club (est. 1924) provides opportunities for children and adults aged from six-years-old up to veterans, all enjoying their chosen sport. The club is an integral part of the community with over three-hundred people involved and many volunteers all contributing to improving life for local people.

The Ladies team have been successful on numerous occasions winning the LCFA Women's Senior Cup in the North West recently in the 2016/2017 season and runners up for the 2017/2018 season as well as competing in the women's FA cup. The first team currently compete in the North West Women's Regional League and I am currently preparing for the 2018/19 season and looking for individual player sponsorship to offset some of the cost associated with playing and would greatly appreciate your support.

Sponsorship is £200 per player.

In return for your sponsorship you would receive:

- Your company logo on our club literature
- Website exposure www.mossleylfc.co.uk
- Exposure on our social media platforms (Twitter: @mossleylfc, Facebook: @mossleyhillladies, Instagram: Instagram.com/mossleyhillfc)
- Sponsors name on player profile on website
- Player picture with sponsor
- Logo on training top (optional additional £50)

Thank you for taking the time to consider this opportunity and we hope this is something you will contemplate. The club would welcome the prospect to speak further to discuss any other avenues that would benefit your company.

We look forward to hearing from you

(Mossley Hill player for 2018/2019 season)
